● ABOUT THE TRUST ●

Nirmala Foundation is a non-commercial organization, consisting eminent members from various sectors of the society. The trust also desires to contribute to the society by establishing Colleges, Health Centers, Old Age Home & many more.

Inspired by the noble cause of imparting education and promoting excellence, Nirmala foundation has established Eminent College of Pharmaceutical Technology. The Institute is affiliated to WBSCT& VE&SD. The trust's primary aim is to create an atmosphere where teaching and education will be totally integrated with the serious research endeavor. Nirmala trust always aims for an all-round development of students with special emphasis on communication and soft skills, sports and cultural development along with the regular academic and technical skill development. The objective is to make our students not only brilliant professionals but also good human being with the infusion of ethics, discipline and moral values which can contribute effectively to the society. Thus all the members of the trust are determined to work together for a bright and prosperous future of students.

● MESSAGE FROM CHAIRMAN ●

I always experienced a yearning to acknowledge my responsibilities and reciprocate by contributing to the growth and development of our society and I perceived that the best way to advance society is by fostering education. It was at that moment that the dream and vision of Eminent College of Pharmaceutical Technology was conceived and we are proud to establish this college where students can be Industry ready & fulfill their dreams to have a brilliant career. We have tried to mingle knowledge & skills in order to comprehensively and collectively optimize education with appropriate skills.

Our educational Initiatives believe that creating an academic foundation for social, cultural, scientific, economic and technological development can take it to Global Surface. Therefore, our focus is to achieve unparalleled excellence that will bring development to our society and mankind by optimizing their potential, Therefore, in of Eminent College of Pharmaceutical Technology we believe to make our students Eminent through Excellence.

With my best wishes I welcome all to this college.

Mr. Samir Chakraborty
Chairman

MESSAGE FROM PRINCIPAL

I am delighted as a founder Principal to welcome you in the Eminent College of Pharmaceutical Technology (ECPT), Kolkata, a very promising and would be one of the future leading centres for Pharmacy education in this part of India.

As a non-profitable organization, we pride itself on providing its students in Diploma in Pharmacy as well as in future Degree and Post-graduate Pharmacy courses, a rich and exciting quality academic experience.

We constantly endeavor to prepare our students as responsible and innovative global citizens giving a firm grounding in their respective disciplines.

We strictly focus and design our courses according to the guidelines of AICTE and PCI to achieve quality education. For that we have developed all the infrastructure and facilities like laboratories, library, hostel, canteen, play ground etc. for a healthy atmosphere and support to provide best educational environment.

We set up a team of experienced, excellent and dedicated members of highly qualified faculty.

In keeping the Vision and Mission of Nirmala Foundation Trust, we make every effort to put equal stress of co-curriculum activities for the all-round development of Mind, Body and Soul so that you develop into global citizens while retaining our traditional values.

I look forward to meeting you in person and also wish you all the best for your higher studies at this institute.

Dr. Amitsankar Dutta
M.Pharm., PhD (JU), AIC
Principal

● ABOUT THE INSTITUTE ●

Eminent College Of Pharmaceutical Technology is starting its journey in the field of pharmacy with a definite vision and mission. It is our responsibility to impart the quality education among the students and to the society. ECPT is committed to provide excellent environment for teaching learning and career planning. We are starting journey with fine infrastructure and motto of becoming a pioneer pharmaceutical research institute in India. ECPT is accepting the crisis and global challenges in the pharmaceutical and health care system and will try to add novel value in this area for society. We will create not only good technologist but good human being for future society.

At the inception we are offering 2 years Diploma in Pharmacy course. In near future the institute will upgrade itself by offering B. Pharm and M. Pharm courses. We are providing the research facility for teachers to upgrade themselves.

ECPT is situated in rolling parkland on the edge of Barasat. ECPT has pollution free and green campus with all the necessary facilities.

 **MISSION** 

Eminent College of Pharmaceutical Technology aims to catering and spreading the quality technical education to all sections of the society particularly to the rural area of the state. Our mission is to make learning possible by the acquisition and application of knowledge, and through interactive teaching learning process. In our Institution education will be delivered with a concern for the world in which we live and for the betterment of the society by extending its educational, industrial and cultural resources and technological expertise. The College seeks to promote the intellectual and ethical life of its students, preparing them for rewarding careers, personal development and contributing towards social progress.

 **VISION** 

We are determined to create academic excellence that will prepare the students to fulfill their academic, professional and social goals & can produce the best human resources who will be equipped to address the increasing demand and professional necessities of modern industry. We are dedicated to form a unique Centre of learning with multifaceted activities where young and eager school-leavers can transformed into trained and knowledgeable professionals, ready to face the challenges of the modern world.

Our vision is to become a center of excellence in technical education in West Bengal and India. We will be responsible for creating the quality technologists by ensuring the quality education.

OBJECTIVES

OBJECTIVES OF ECPT ARE

1. To cater the quality education to all section of society and mainly to the rural area.
2. To organize Industry oriented programs at regular intervals to acquaint the students with practical exposure.
3. To enrich the knowledge of the students and teaching professionals in a continuous way by providing them the state of the art facilities and to keep them abreast of the new ideas and thought in the field of modern technical education.
4. To encourage the Faculty Members to engage in research and to develop the institute as a research centre with in- house research facilities.
5. To build up a healthy and congenial students-teachers relationship in fostering the sense of belongingness for overall development
6. To prepare competent professionals to cater to national demand and to serve the society by supplying excellent technologists and good human beings.

ABOUT WBSCT & VE & SD

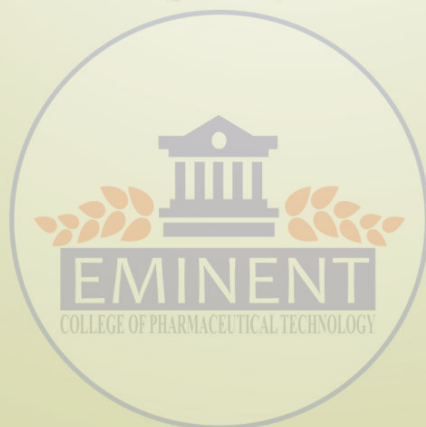

After AICTE, the Statutory Council for technical education advised all States to give autonomous status to the State Councils of Technical education, Government of West Bengal set-up a committee under the Chairmanship of Prof. Sankar Sen, the then Vice Chancellor of Jadavpur University to suggest procedure for setting-up a Statutory Council for the Technical Education.

Then Government of West Bengal moved a Bill before the Legislative Assembly for setting up a Statutory Council of Technical Education. West Bengal State Council of Technical Education became a Statutory Body under West Bengal Act XXI of 1995. The Council started its activities as a Statutory Body after Gazette Notification on 12th June, 1996. Now the council is known as West Bengal State Council of Technical & Vocational Education & Skill Development.

The council started with a vision of “To be a world class organization leading technological and socio-economic development of the country by enhancing the global competitiveness of technical manpower and by ensuring high quality technical education to all sections of the society.”

The definite missions of council are

1. All round development of Technical Education in the State which should transcend to the grass root level people by ensuring the quality education.
2. The industry –institute interaction for new products, new technology and service.

COURSE OFFERED**EMINENT COLLEGE OF PHARMACEUTICAL TECHNOLOGY OFFERS 2
YEARS DIPLOMA IN PHARMACY IN THE SESSION 2017-18.****ABOUT DIPLOMA IN PHARMACY**

Dispensing of drug in the hospital, retail shop and to the patient is the crucial task in the health care system. This important task is fulfilled only by the pharmacists. What should be the dose of a drug? Pharmacists can help the patient to take the right dose. When to take the drug after or before the meal? Pharmacists can tell the proper time. What are the drugs we can't take at a time? Yes, pharmacists can tell us about the drug-drug interaction. Pharmacist is the bridge between doctor and patient.

Beside these the course will teach you about the preparation of drugs and cosmetics. How does a drug act to our body or how does it cause adverse effects is in the curriculum. Where from antibiotics are coming into the market and how to use the antibiotics will be in your learning process. This course will give you the brief idea and vision about the health care system. More over Diploma in Pharmacy course will encourage and inspire you to serve the society.

ELIGIBILITY

Candidates applying for admission should pass 10+2 level examination with Physics, Chemistry and Biology or Mathematics as the subjects. The admission of the candidate would be as per guidelines of WBSCT&VE&SD and PCI. The admission process normally takes place through the examination conducted by WBSCT&VE&SD and PCI

INFRASTRUCTURE**LUSH GREEN VAST CAMPUS**

Eminent College of Pharmaceutical Technology occupies a campus area of 10 bigha. It is home to several architecturally striking buildings where every need of both staff and students is met. Tree-lined avenues and lush lawns dotted with beautiful flowering shrubs soothe the eyes and create an ideal learning ambiance. The campus is situated in lap of nature, surrounding with greenery which produces a perfect pollution free & calm environment for learning.

**WI-FI CAMPUS**

We are using a high quality wireless router that receives and decodes the signal very fast. It will send information to the Internet using a secured physical, wired Ethernet connection, so that information remains secret and communication becomes faster. Our student can avail this anytime for learning more appropriately by connecting with the world through internet & can enrich their knowledge.

DIGITAL CLASSROOM

In all our classrooms Multimedia projectors are used to make learning more absorbing and comprehensive. Simulated teaching software is the 'in thing' for visualized form of concepts helps better development of application oriented skills among students.

LABORATORY

We have well equipped laboratories for the diploma curriculum and research activity for teachers. Our laboratories are equipped with all the necessary instruments and machines prescribed by the Pharmacy Council of India. UV-Visible spectrophotometer, Colorimeter, Melting Point Apparatus, Ball Mill Apparatus, Tablet Coating Machine, Tablet Punching Machine, Tablet Hardness Tester, Tablet Counter, Dissolution Test Apparatus, Ampoule Sealing Machine, Refractometer, Polarimeter, Laminar Air Flow etc. are few important instruments available in our laboratories with other necessary instruments for pharmacy course.

**LIBRARY**

Our library is not only equipped with books regarding the courses we offer, but also many other books to enrich knowledge of our students. Our library also provides numerous national & international pharmaceutical journals, various magazines to explore the knowledge among students and teachers. We also provide our students Book-Bank facility to ensure that they can be provided all the books they required from the library even during exam & they do not need to buy books.

DIGITAL LIBRARY

Along with library we also facilitate our students with Digital Library through which they can access numerous National & International pharmaceutical journals even from home & students and teachers can access Elsevier e-journals and Bentham e-journals.

**COMPUTER LAB**

Labs are integral part of an academic institution and in ECPT we are strongly committed to providing world class infrastructure of labs so that we can create ideal environment for a student to understand the practical part of concepts.

LANGUAGE LAB

We believe that quality education should be imparted through complete care & integration. ECPT is equipped with language laboratory to upgrade students' communication skill & other soft skills components, so as to transform them into real professionals. Through this we provide "Employability Skills"- a well-balanced conglomeration of communicative skills, presentability, awareness & deeper knowledge and nurtured to groom them properly for the competitive world.

**CONFERENCE ROOM**

The Conference Room of our college is equipped with a fully sound proof set up and equipped with latest technology for all types of audio/video presentations & can accomodate a large number of people.

MEDICAL ROOM

To ensure proper safety & protection of our students college has its own Medical Room. This is equipped with various medicines & First Aid kits for emergency. We also arrange free health checkup for our students in every six months.

**COMMON ROOMS FOR BOYS & GIRLS**

As we know that recreation is essential for students we provide separate Common Rooms both for Boys & Girls. Both the common rooms are equipped with various indoor games to complete the recreation of our students.

CANTEEN

Our college has its own canteen where students can refresh themselves with delicious foods at a very reasonable cost & this place can be part of their recreation also.

SCHOLARSHIP

In ECPT students will get all the scholarships announced and affiliated by West Bengal State Government and WBSCT & VE & SD.

TRANSPORTATION

ECPT has arranged transport facility (from Barbaria Bus Stop to College) at free of cost for the convenience of all the students so that they can travel with comfort.
